

Coil Nailers:

F33/F45C/F48/F48C/F58A/F58AC/F6AC Coil Nailers for 15° coil nails up to 90 mm

Related to their weight ratio, the FASCO coil nailers provide the highest power. In addition, they are also fast and durable.

The coil nailers are made for construction applications, crating and pallets. There is also a special tool available for roofing applications.

FASCO coil nailers are fitted with an adjustable safety yoke. The Contact Trip/Single Shot device is also available for these models.

Strip Nailers:

F58AC/F6A/F6AC/F91A/F91AC Strip Nailers for strip nails up to 160 mm

The strip nailers of FASCO's product range are versatile and powerful.

These tools can be used for almost all applications in the field of construction, packaging and furniture.

Like the coil nailers, the strip nailers are also fitted with an adjustable safety yoke. The Contact Trip/Single Shot device is also available for these models.

T-Nailer:

F45C Nailer for T-Nails up to 70 mm

The nailer for T-Nails offers the same features and benefits like our coil and strip nailers.

The T-nailers can be used for a wide range of applications in construction, bedding or crating.

F **WORLD-WIDE PATENTED:**
SEQUENTIAL FIRE /
BUMP FIRE DEVICE

To ensure an easy and absolutely secure handling for our customers, the FASCO engineers developed the safest full sequential fire / bump fire (single shot / contact trip) actuation in the industry.
